

Welcome to our classroom

Where you might find:-

An artist, who creates amazing drawings and designs.

A musician, who makes playing an instrument sound so fine.

A writer, who has a great imagination and is good with ideas.

An inventor, who shares creative talents with their peers.

A scientist, who analyses and experiments through exploration.

A sports person, with great stamina, skill and determination.

A joker, who can entertain a crowd from the start.

A carer, who helps others, with such a big heart.

A mathematician, who is excited by numbers each week.

We are individual, we have our own qualities, we are unique.
